# Kit Plus Nono Bipod

## Description

Our "Kit Plus Nono Bipod" allows you to transform the "Nono Bipod" into the "Nono Bipod Plus" thanks to N°4 "Spike Bipod Feet" and to N°2 "Supplementary Bipod Chassy Leg" to install on the lower chassis part. This way, you have more options for precarious support conditions.

## Features

Transform "Nono Bipod" in to "Nono Bipod Plus"  
N°4 "Spike Bipod Feet"  
N°2 "Supplementary Bipod Chassy Leg"

## Usage and Maintenance

This product does not require any maintenance.
